## SECTION SF 30 BLOCK 14 CONTINUATION PAGE

1. Under Section L, the following is added to the end of Section 3- PAST PERFORMANCE of the clause entitled "PROPOSAL PREPARATION REQUIREMENT" cited on pages 49-52 of the solicitation:

"In addition to the CPARS, the Government also intends to use the attached Past Performance Questionnaire to collect additional past performance information from (1) those Government and/or commercial contract references provided by the offeror; and (2) any other relevant references deemed useful by the Government. The Government may also use other past performance data sources to collect relevant past performance data. The offerors are responsible to notify the points-of-contact provided as commercial contract references and give them permission to provide past performance-in-formation to the Government.

If the offeror has no relevant past performance, they shall affirmatively state in their proposal that they possess no relevant past performance.

Past performance information pertaining to a subcontractor cannot be disclosed to the prime contractor without the subcontractor's consent. Therefore, if the use of a subcontractor is proposed, submit the subcontractor's written consent to allow the Government to discuss the subcontractor's past performance assessment with the prime offeror. Offerors should note that the Government considers the prime's past performance as more relevant, for the purposes of evaluation, than subcontractor past performance."
